The background of the page is a collage of black and white photographs. On the left, there's a photo of a school building with a set of stairs. On the right, there's a photo of three students standing on a sidewalk. A large, diagonal, light-colored shape, possibly a tree trunk or a stylized graphic, runs from the top left towards the bottom right, partially obscuring the text.

CAMPUS LIFE

It is often said that the character of a college is determined by its student body. We believe, however, that the seasons of the year and the time of day also leave their mark on us.

In the fall, we bask in the warmth of a long Indian Summer. Winter covers the campus with snow, and we trudge through it for four months until spring brings in its youth and freshness, so appropriate to our young and new campus.

The sun of the day sparkles off our white pillars and warms the crispness of our brick buildings. At night, we stand alone in the darkness, with only the occasional lights of our classrooms to tell of the activity of the day.

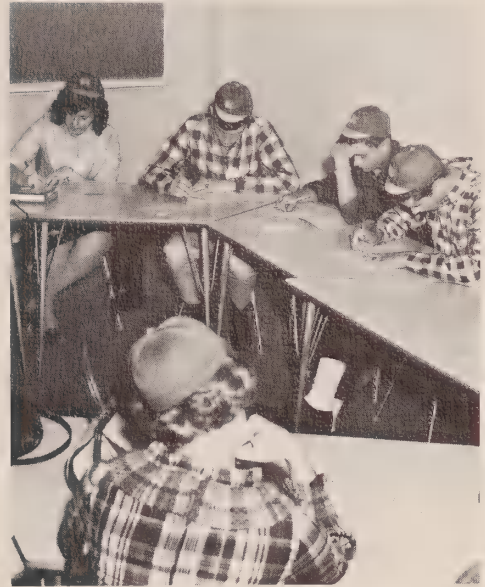

We are grateful for these variations; for as our buildings change with the seasons and the day, so do the moods of our students.

Freshmen were introduced to the college during a six day orientation program devoted to both academic and social orientation. Among the activities of this week were the President's Dinner, a bus tour of the Utica area, picnic at Cedar Lake, various mixers, round table and panel discussions and testing.

Living in a dormitory is an exciting new way of life involving close contact with a wide variety of people and the acquiring of new freedoms and responsibilities.

Water fights, open dorms, all-night study and bull sessions, midnight serenades and the joy of an extended curfew are all part of "on campus" living.

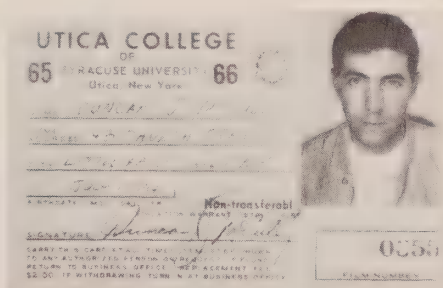

Students, returning to campus for the fall semester, fought their way through seemingly endless registration lines.

Along with the usual name, rank, and serial number, students had their mugs added to the "non-transferable" I.D. cards.

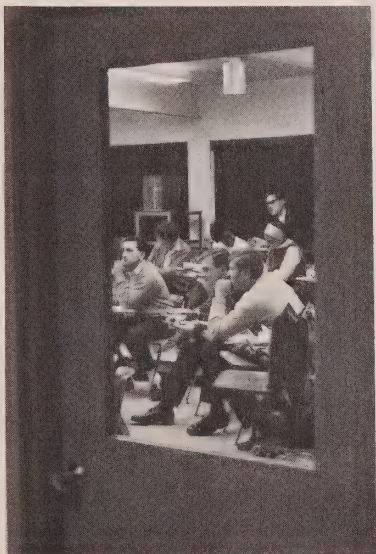

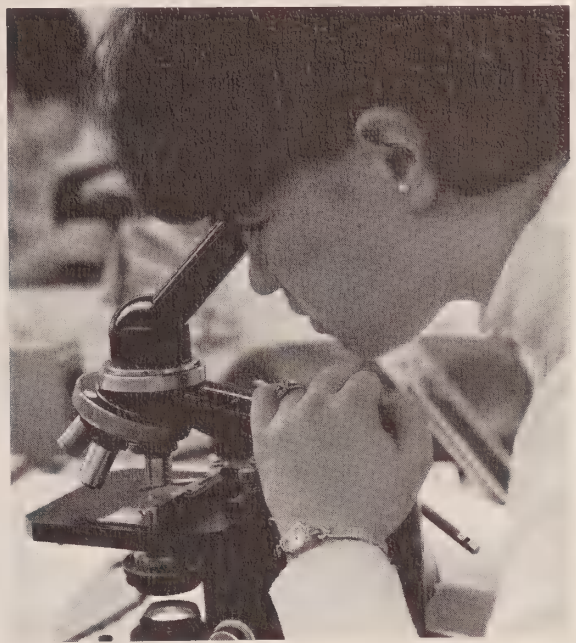

At the end of the week, beer parties drew many to Club Stanek where the band played from 9 to 1 in the smoke-filled back room.

Co-ordinators John Okunski and Tim Wilkinson planned the most successful winter weekend in the history of U.C. "Three Days of Winter's Night" drew fine support from the student body, faculty and administration.

The administration turned out in full force for the occasion.

Miss Dee Dee Linder was crowned Miss Winterset at the semi-formal dance at Hotel Utica on Friday. She reigned over Saturday's hockey game at Clinton Arena and the dance featuring "Sam the Sham and the Pharaohs" at Union Hall. On Sunday, the weekend moved to the Alpenhof Lounge at White Acres Ski Area for a day of relaxation and dancing to the dixieland sounds of the "Silver City Six."

Henry DiSpirito

When UC opened its doors in September of 1964, a small man with old fashioned glasses and a shining crop of white hair came through them. No one seemed to know much about him or what he was doing on campus.

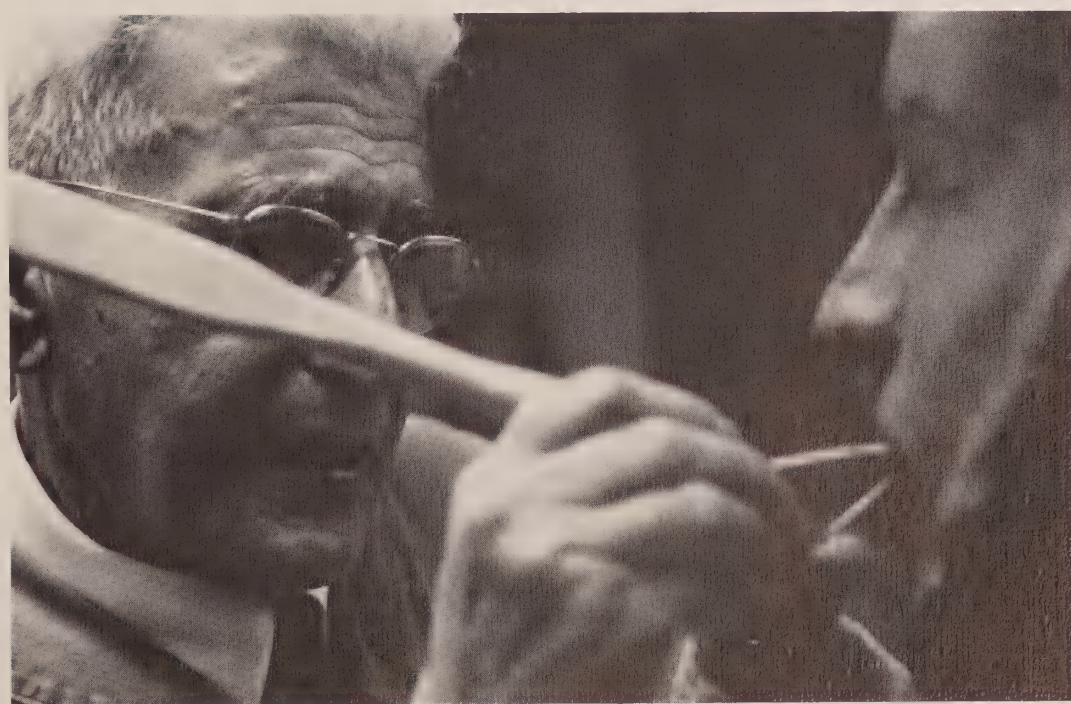

And then, one of the meeting rooms in Strebel was slowly being filled with pieces of sculpture, small meticulously painted pictures, chunks of wood, stone of odd sizes and shapes, and sometimes, a bunch of wild flowers.

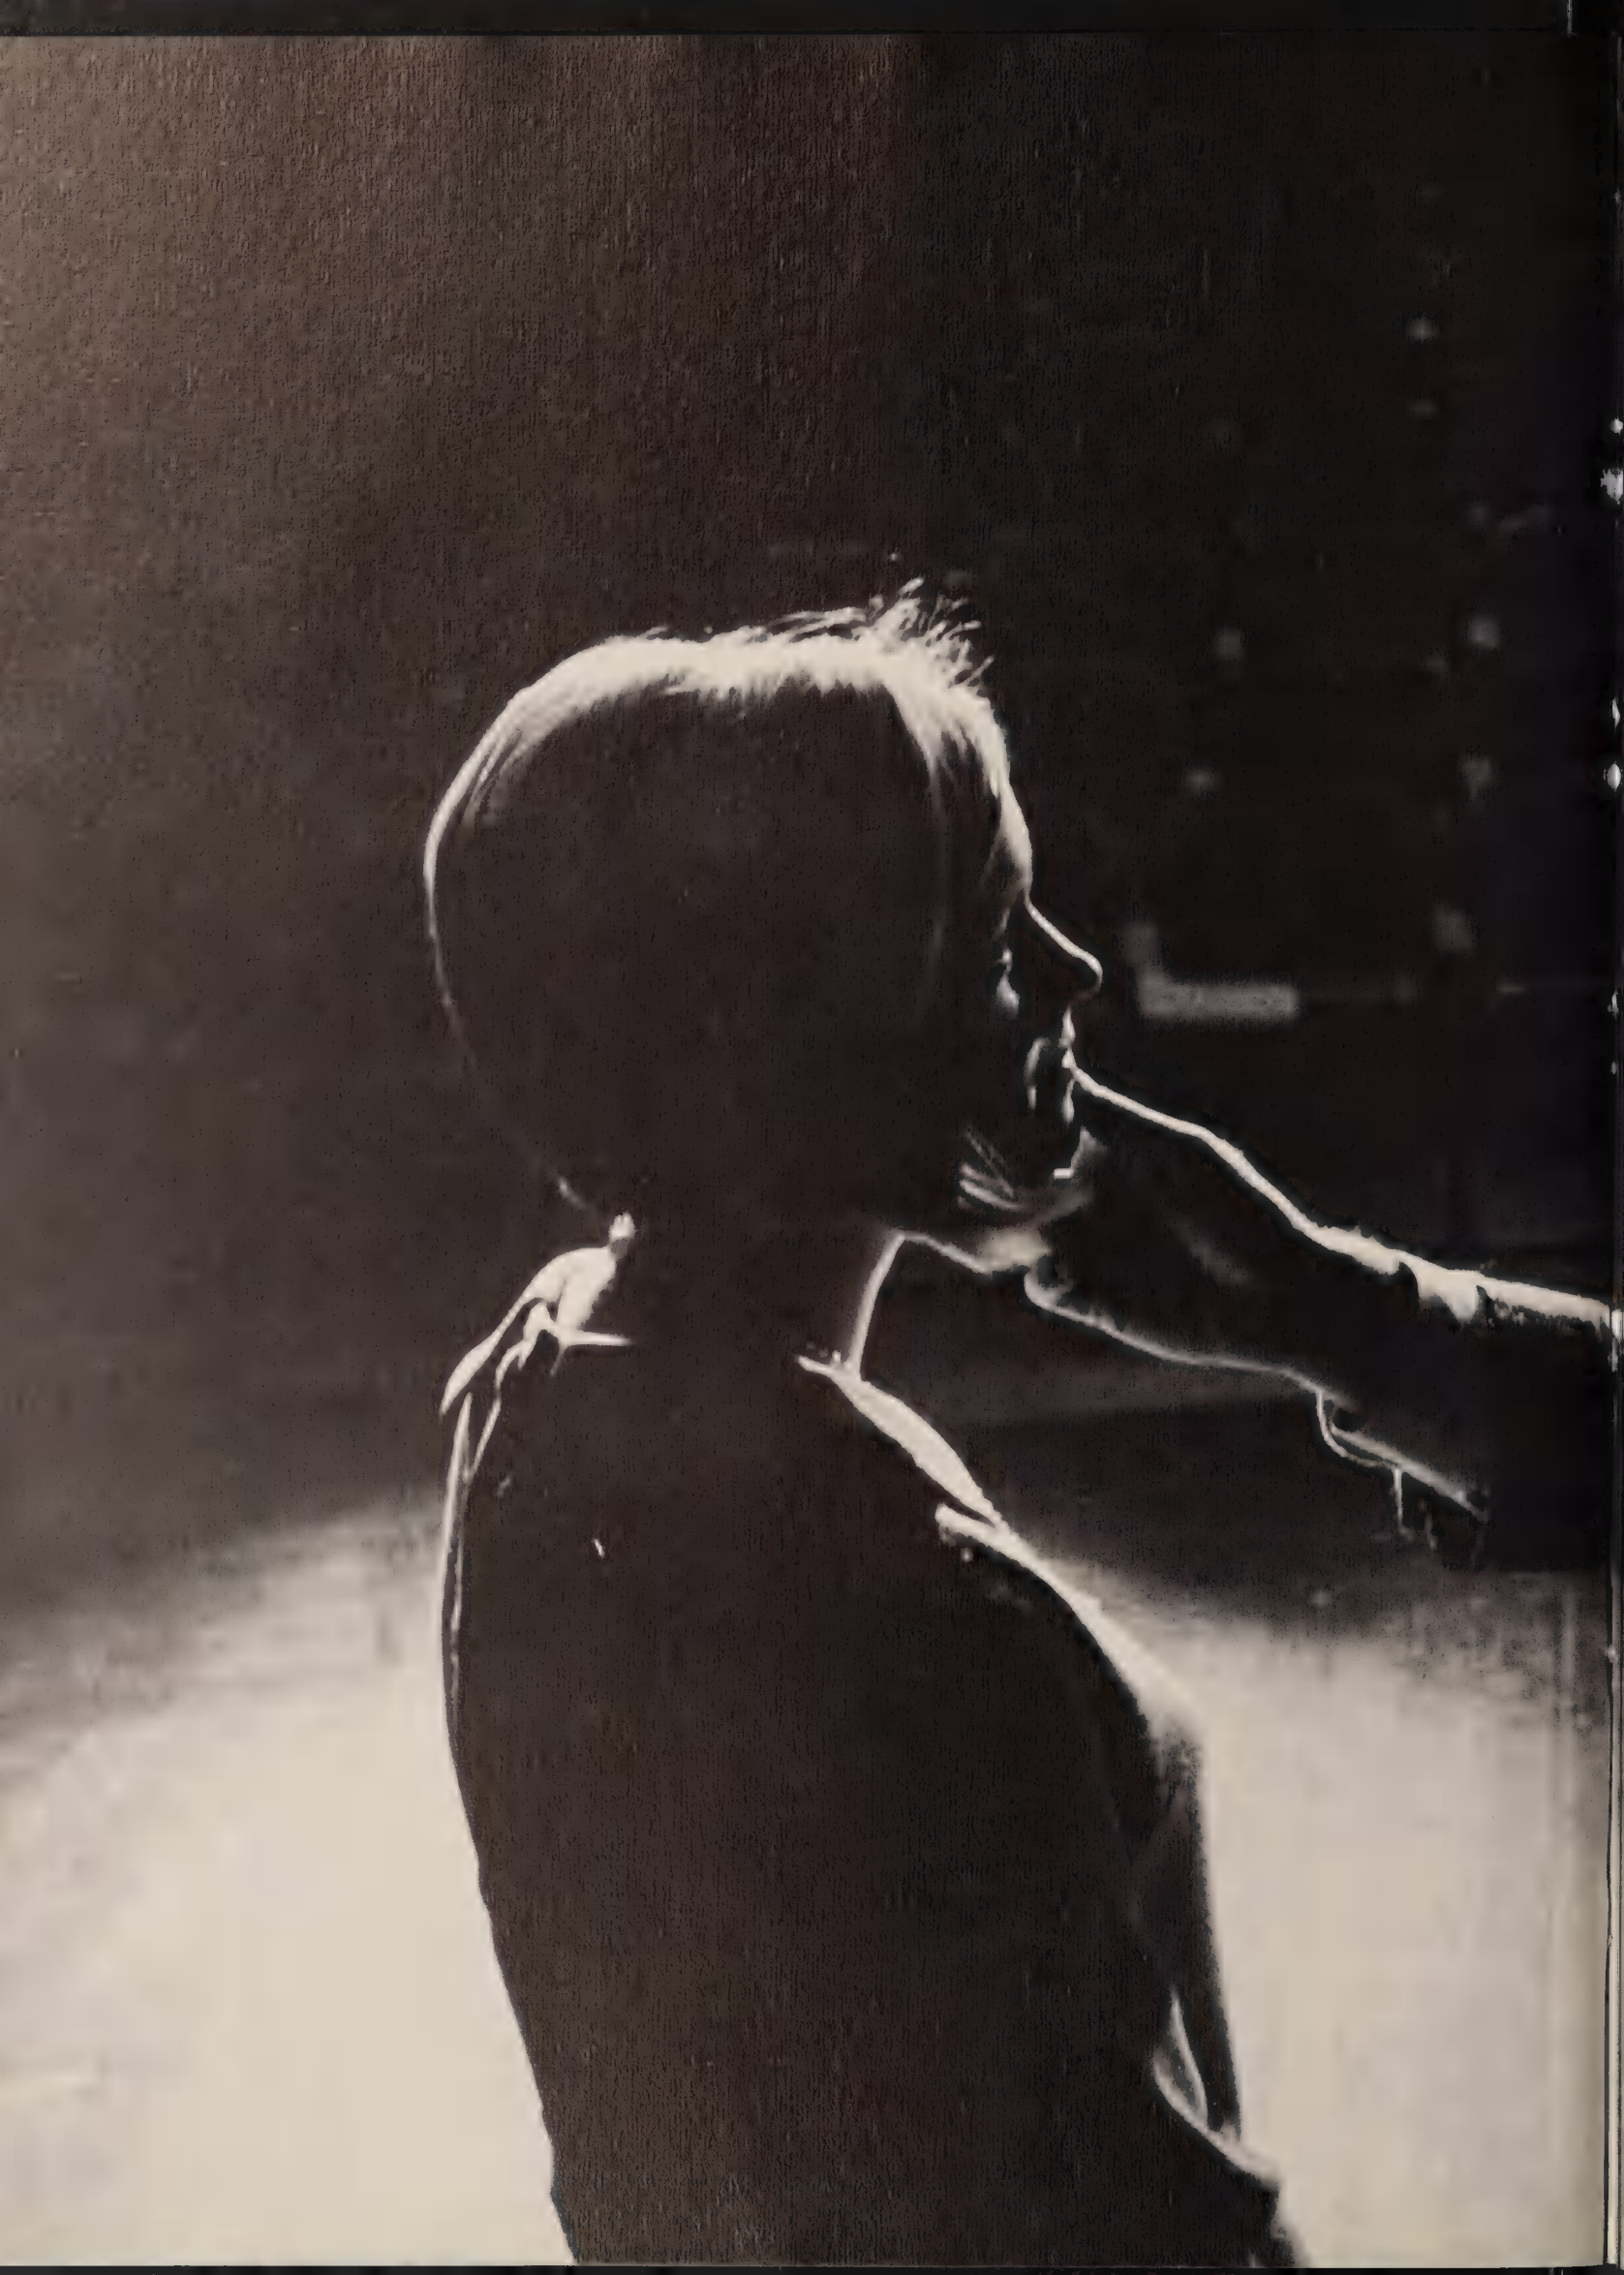

Students were a little afraid to approach him at first, possibly because he appeared so quiet and simple. In this complex campus world of running here and there, he was a unique personality. The quiet of his studio was like an oasis. Gradually, however, one or two of the braver members of our society made the acquaintance of this man and entered into the peacefulness of his world. The word spread that there was something to be learned, and more of us went to look at the wood carvings, the sculpture, the artwork, and to talk to the man.

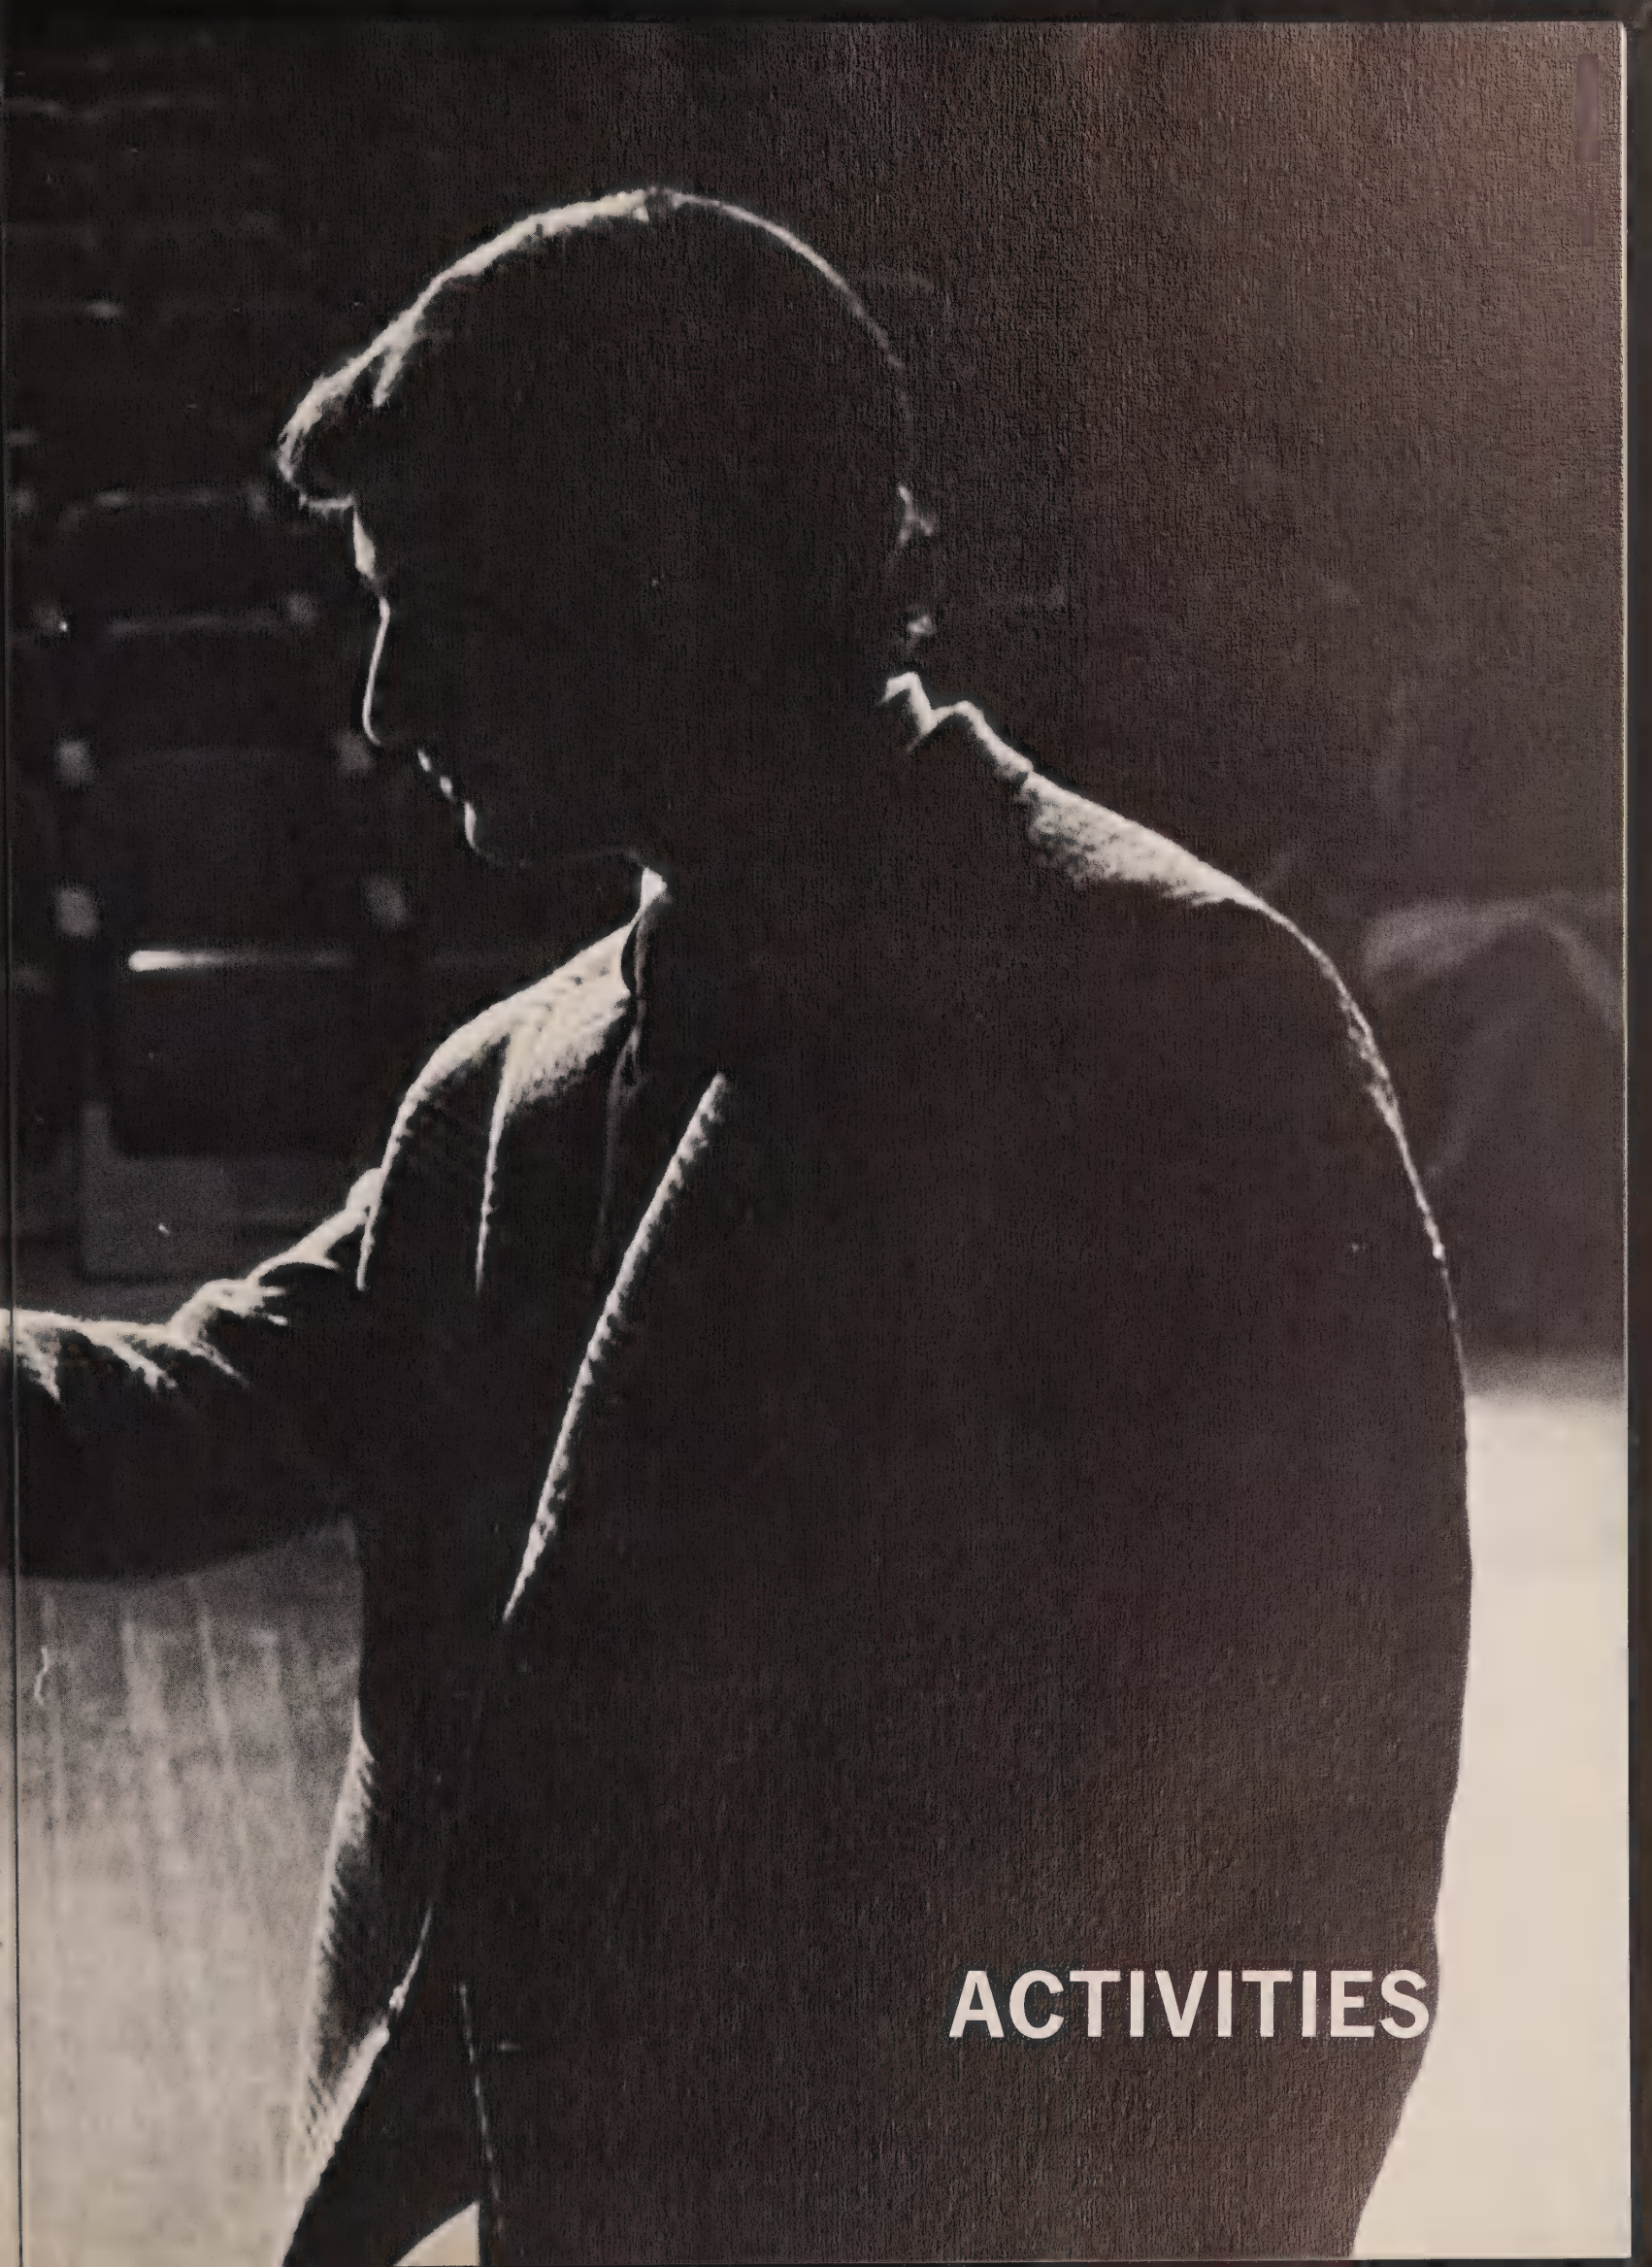

Now Henry DiSpirito is really ours. We miss the "tic tac" of his hammer if some evening he is not in his studio. We say "Let's go see what Mr. DiSpirito is doing," and drop by to watch him at his latest project. We talk of him among ourselves, and perhaps the greatest compliment to him, we speak about him with enthusiasm to those outside the college — Henry DiSpirito, the patient and dedicated man, who creates wonderful things in the tranquil atmosphere of his studio.

The Team

KNEELING: A. Sterling, D. Rollman (Co-Capts.); **STANDING:** J. Convertino, D. Williams, A. Williams, G. Stahler, J. Jones, M. Atanasoff, J. Smith, A. Broga, R. Byrd.

The UC basketball team opened their season with two initial home victories, defeating Harpur and Oswego.

After traveling to New York City to play NYT and Brooklyn Poly., the record was three wins and one loss. The remainder of the season, however, was marred with thirteen defeats against three victories.

Highlighting the season for the Cagers were Al Sterling, Jeff Jones and Gary Stahler. In every game, the season captain, Sterling, managed to hit double figures. Jones, playing his last year for UC, was outstanding in the rebound area. He also averaged 15 points per game in scoring.

Under the coaching of Pioneer mentor Bill Vesp, the team made a very respectable showing. The final season record for the team was six victories and fourteen losses.

Athletic Board

With the increase in the number of intramural activities and the variety of varsity sports, UC began its first Athletic Board this year. The purpose of this organization is to oversee the athletic activities on the campus. This year the Board was composed of students, faculty and administration. It can be foreseen that with such an organization, the quality and quantity of athletic activities will be on the upswing. An example of what they have already accomplished is the formation of UC's first Football Club.

Intramurals are an integral part of the liberal education program at UC. With the philosophy that a sound mind and healthy body go hand in hand, UC's athletic department promotes the intramural program with high interest.

FOOTBALL: Flag football was at its zenith of competition with eleven teams vying for the championship title. The UC Giants, last year's champions, saw fit to retain their crown with a record of 21 victories and no losses. The only team that threatened their plans was the Tigers. With the securing of their crown on the UC campus, the Giants journeyed across the city to MVCC to capture the city championship.

BASKETBALL: Ten teams vied for the laurels in this area. The perennial champions, DPS, attempted to retain their crown, but the men from Okapis, who went undefeated the entire season, had different ideas.

VOLLEYBALL: A relatively new intramural activity witnessed seven competing teams with the brothers of DPS flashing to a perfect undefeated season.

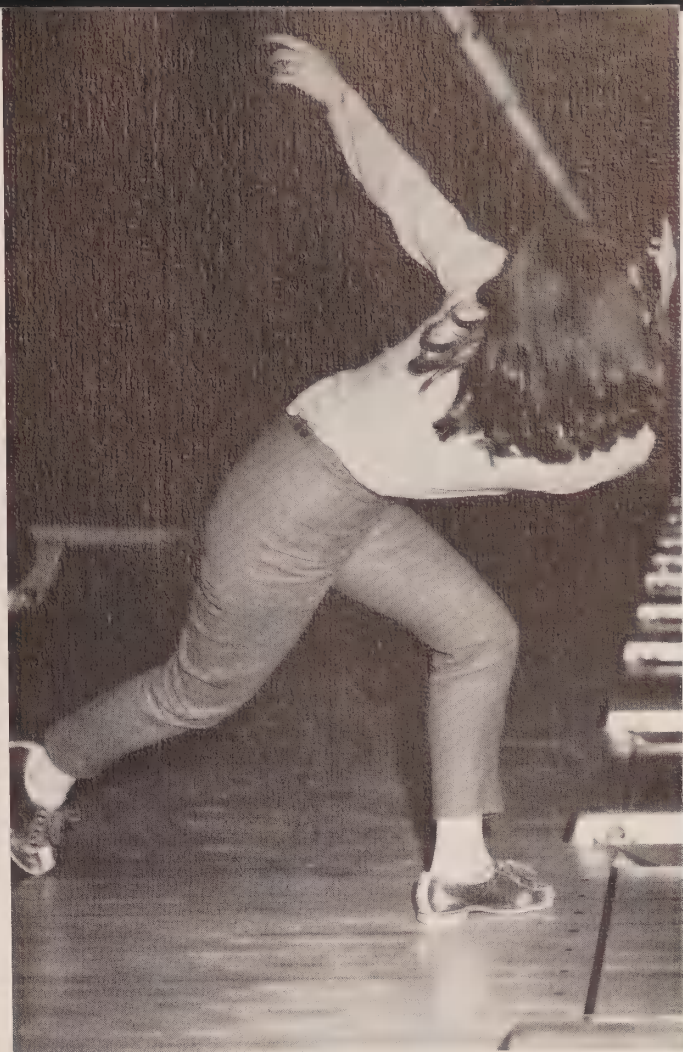

Winners in the annual Turkey Tournament — Bob Nahumyk, Dick House, Edie Jardieu and Tim Walsh.

BOWLING: Twenty-four teams entered the competition this year with approximately 300 students participating. APD, after ten weeks of heated effort, arrived at the top of the roster to obtain first half laurels. As a result of their success, APD traveled to Buffalo State for the College Union Bowling Tournament where they placed third out of 16 teams.

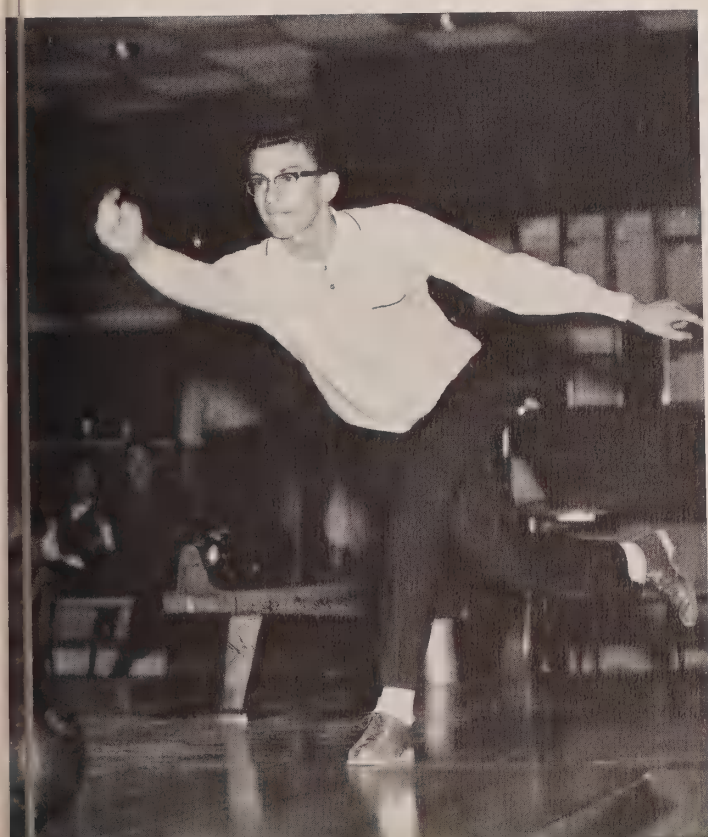

AXP captured first half laurels in the "B" league.

In second half competition, Bob Gilmore from AXP made bowling history when he rolled a perfect 300 game. He led his brothers to capture "B" league competition for the entire season. In "A" league competition, the brothers of DPS captured the crown.

Intramurals

Below, the perennial champions DPS try valiantly to secure a victory leading to a chance at the football crown.

Baseball

The baseball season proved to be one of the high points of UC's athletic season. The team played thirteen contests, winning nine of them.

The first game against Oswego surprised the Utes. The final score was Oswego — 12, Utica — 3. After this first upset, the Utes came back with nine straight wins, defeating MVCC, Potsdam (3), RIT, Albany, Harpur, Hamilton and Siena. In the last three games with Harpur, RIT and Clarkson, UC met defeat.

The Utes finished the season with a record of nine victories and four losses.

Among the outstanding players of the season were John Humphreys, Keith Jones, and John Semeniak who, at midseason, had 27 hits in their total 60 at bat, for a three man average of .450. In the pitching department, Bill Joseph, Mike Passeralla, and Don Walden made fine records.

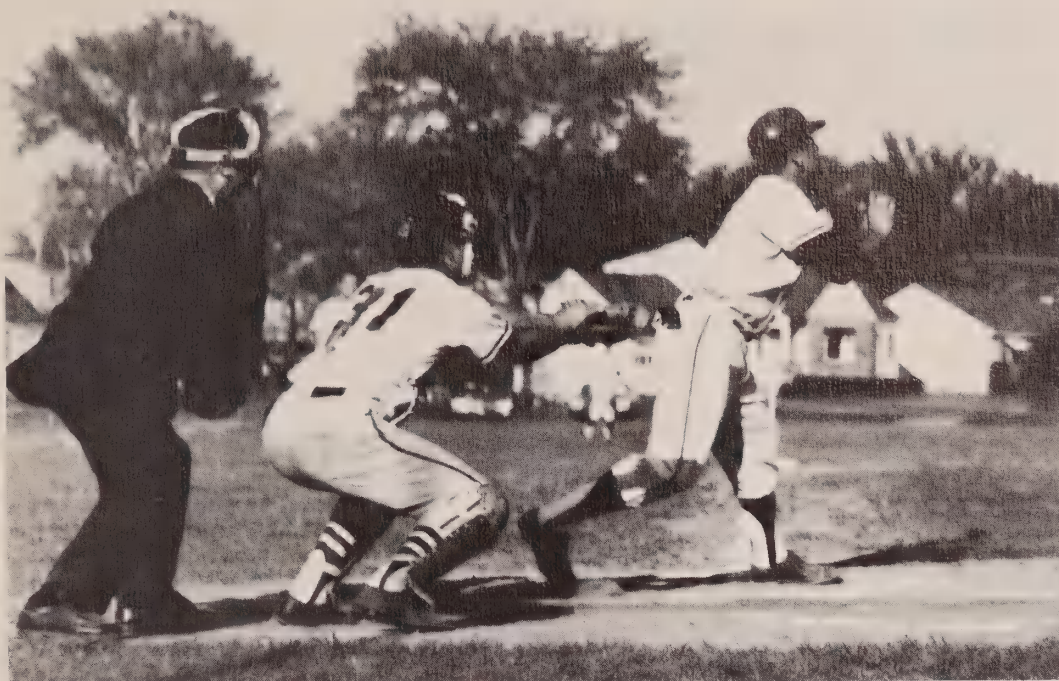

Captains John Humphreys, Bruce Bullock, Bill Joseph and Tom Batters.

Cross- Country

The cross-country team is the latest addition to the expanding athletic department.

Under the coaching of Bill Vesp, the team competed in six contests.

Although they lost to Albany and Siena in a three way meet, they made a very respectable showing.

The Harriers came back in their next threee meets, defeating Potsdam twice, and St. John Fisher.

In their final meet, MVCC proved too powerful for the Utes, setting the final tally for UC's first cross-country team at three wins against three losses.

The Outstanding Athlete Award this year went to a well-rounded guy who has played an important role in the UC Athletic Department — Bruce Bullock.

This award is given each year by Delta Phi Sigma fraternity. Bruce was elected by the athletic coaches and the Dean of Students.

On the field, Bruce has made notable achievements in Baseball, Soccer and Hockey.

As a member of the Varsity Baseball team, Bruce batted .312 for a two year average, with 12 RBI's the second year.

During his two years on the Varsity Soccer team, Bruce has played six positions. His skill as a goalie was demonstrated against R.I.T. this season when he stopped 37 of 39 shots. As a scorer, he takes credit for the team's last two goals.

While serving as captain of the Hockey Club this year, our outstanding athlete scored two goals in four games. Last year he was the leading scorer with 15 points.

In the office, Bruce has served as Athletic Publicity Director, Sports Editor of the TANGERINE and ANNALES, and as a member of the 1966 Athletic Board.

Bruce also enjoys golf, pool and table tennis.

As for his last hope for his athletic career at UC — Bruce dreams of the position of place kicker on the football club.

Outstanding Athlete . . . 1966

Bruce Bullock

Soccer

This year the U.C. Soccer Team had a tough season with a 0-7 finish. They managed 1 tally in 7 games. But by employing a strong defensive they were able to hold their opponents scores to a minimum. Though R.I.T. was able to secure 2 goals, the U.C. team successfully blocked 37 shots. In 34 trys, Hartwick only gained 3 goals. The only goal of the season for the U.C. team was scored by Bruce Bullock, but the team put up a good fight.

ACADEMICS

Dr. J. Kenneth Donahue

Like all of its predecessors, this year's ANNALES will become an increasingly treasured album of the college family as the graduating Seniors knew it. One cannot help but reflect upon the condition of the world at each ANNALES milestone and this, I think, may be said: There has never been a time in our history when the complexities of the problems we all face depended so much upon the commitment of highly educated, highly trained people to their solution. Indifference on the part of the educated to these national and world problems is a sign of personal failure for it refutes the ultimate purpose of the educational enterprise — a sense of belonging to and serving society as a whole.

A handwritten signature in dark ink, likely belonging to Dr. J. Kenneth Donahue, located to the right of the President's Message.

President's Message

Dr. Sidley K. Macfarlane

Any reading of contemporary history certainly reveals that the rate of change of human affairs is increasing at an alarming pace.

Caught up in this change, indeed, in the center of it is education. Well may you ask "How does a liberal education prepare me for a world where each decade more is discovered than in the previous century?" Frankly, I don't believe any college education can or should fill you with the details of the explosion of knowledge. Rather it should help establish a framework within which you can function intelligently. After all, education is a process not an end. If, during your four years here, your mind has been opened, your visions broadened, and your thoughts challenged, you will be better able to meet the demands of the future. The real function of a liberal arts education is to liberate men.

We, who remain at the college, hope that you have caught some of the excitement of learning and that your years ahead will be richer for it.

Sidley K. Macfarlane

Senior Convocation

The graduating class of 1966 was the largest in the 20-year history of Utica College. More than 340 seniors were honored at the annual convocation ceremony held on June 4 in the Utica Memorial Auditorium.

The processional was led by Dr. Thomas O'Donnell, senior faculty marshal. Following him were the graduates led by Penny Barnum and Ronald Cuccaro, senior class marshalls. Dr. Harold Manner, the other senior faculty marshal, presented the class.

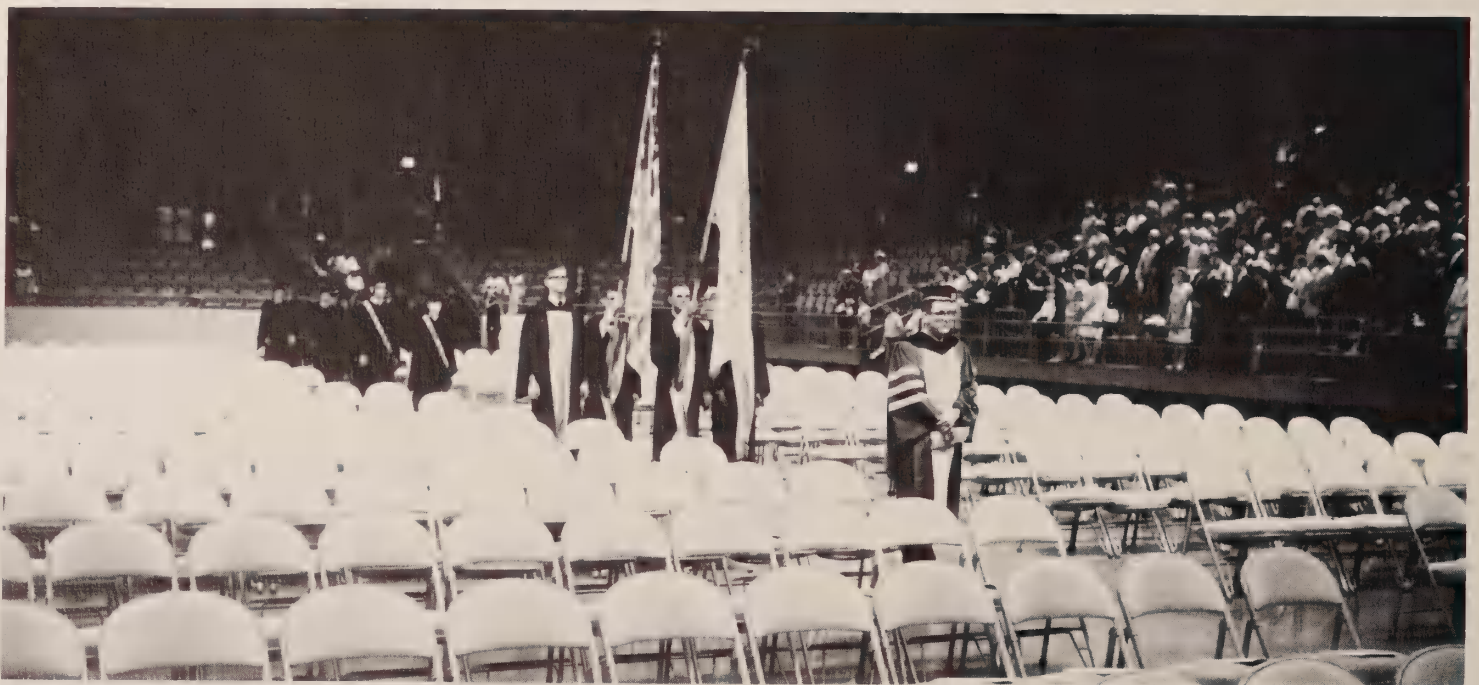

The address was delivered by Dr. Channing B. Rich-

ardson, Bristol Professor of International Affairs at Hamilton College.

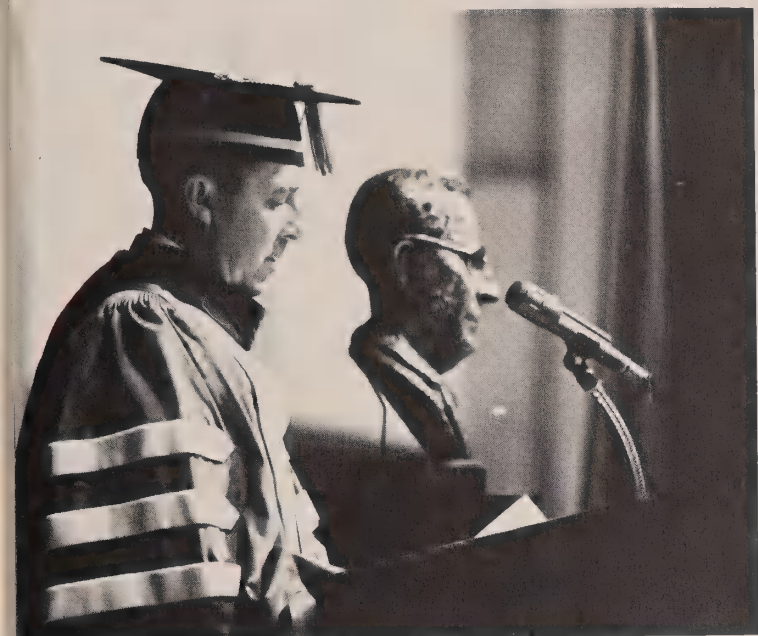

The class gift, a bronzed bust of the late Dean Ralph Strebel, was presented to the college. It was sculptured by Henry DiSpirito, artist in residence at UC, and is to be placed in Strebel Center.

A reception for the graduates, their families, friends and the faculty was held following the ceremony at Strebel Center.

Dr. Thomas O'Donnell leads the processional.

At right, President J. Kenneth Donahue accepts the bronzed bust of the late Dean Ralph Strebel from Armand Gaudin, senior class president.

Dr. Harold Manner presents the graduating class.

Class Marshalls Penny Barnum and Ronald Cuccaro lead the graduates in the recessional.

President Donahue and Henry DiSpirito examine the bust of the late Dean Strebel.

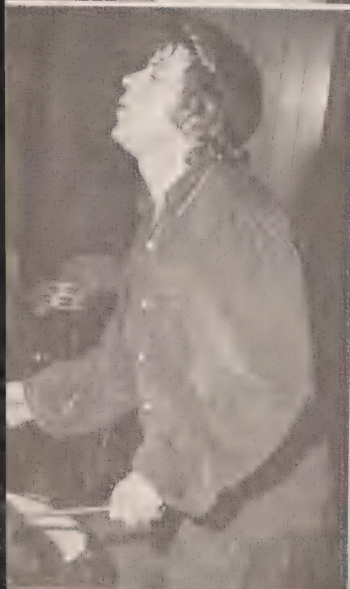

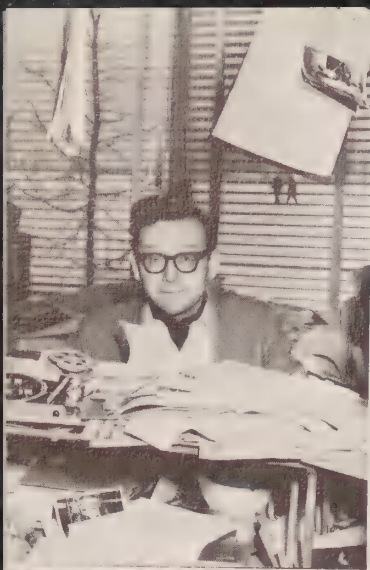

The faculty files out.

Mrs. Marion R. Williams

A c k n o w l e d g e m e n t

We have come to the end of another year. It has been a year filled with change — administrative policies, student activity, campus government and even the physical appearance of the college have all undergone various transitions. We have seen, in a sense, a modernization of Utica College.

Between the covers of this book, we have tried to capture in pictures some of the more significant events which have made this year — 20th in the life of the college — unlike any which has preceeded it, or is yet to come.

We, the editors of this new ANNALES would like to express our appreciation for the assistance we have received from the members of our staff. Particular thanks go to Penny Barnum, Gale Wheaton, Mike Silverman and Jack Donahue for the many hours and vacations they have given up to help in the completion of this book.

Next, we would like to express our thanks to Dean James Doremus, Mr. W. L. Tom Van Nuis from American Yearbook Co., and to the staff of TANGERINE for their fine cooperation.

Mr. Michael Baniak, director of the UC News Bureau; F. Kurt Rolfes and Varden Studios deserve special acknowledgement for the fine photographs they have submitted to us.

Sincerely,

Gale A. Wheaton
Carol L. Bergner
